Directions to workshop at Meg Kane's venue:

Take 520 East from I-5 to the exit for Redmond Way and 202.
Stay in the right lane. This exit is also for Sammamish and Fall City.
At the light turn RIGHT onto 202, also called Redmond-Fall City Road.
Stay on Redmond-Fall City road for 3.4 miles.

Landmarks:

You will go past Sahalee Way. After passing Sahalee Way look for the old barn on the left that says Antique Refinishing. Put your left turn signal on here.

Turn LEFT into the driveway directly across from the 220th Ave NE street sign. (This is a private gravel road. There are two neon orange triangles that help locate it.)

Take the gravel road up a small hill and turn RIGHT at the "T" in the road.
Continue until you get to the house and park all of the way around to the left side of the house.

Please pull all the way up so that there's enough room for everyone.

Our workshop space is in the building behind the house, past the hot tub.
